FOR IMMEDIATE RELEASE

January 22, 2021

## **POP UP CLINICS CANCELLED**

Elkhart County, Indiana – Tonight, the Elkhart County Health Department (ECHD) was informed about misinformation about the Pop-Up Clinics located at Clinton Frame Church tomorrow and the Tolson Center next week. The information stated that there were no age restrictions for these clinics. To avoid confusion, ECHD is canceling the Pop-Up clinics.

"The Health Department intends to reschedule both of the clinics soon. Unfortunately, the incorrect information was going to cause frustration to our citizens of Elkhart County." Dr. Bethany Wait, Health Officer, stated. "Our goal is to make all vaccine clinics as easy and seamless as possible for everyone involved. We appreciate everyone's understanding during this time."

If you need to schedule your vaccine, please visit [www.vaccine.coronavirus.in.gov](http://www.vaccine.coronavirus.in.gov) or by calling 211 or the Elkhart County Covid Hotline at 574-523-2106. Please note that the age restrictions remain in place at 70 and above, or you must be a healthcare worker, first responder, or public safety.
