New Paris/46553	333	up 26	9.71%	8.5%

The changes are less than last week across the board. We should be past the Thanksgiving surge now, and with increased awareness of the need to continue basic preventive measures we hope to see continued downward stats.

Los cambios son menores que la semana pasada en todos los ámbitos. Deberíamos haber pasado el aumento de Acción de Gracias ahora, y con una mayor conciencia de la necesidad de continuar con las medidas preventivas básicas, esperamos ver que continúen las estadísticas descendentes.
